MEETING: Wednesday July 15, 2009

TIME: 3:00 to 5:30 P.M.

PLACE: The Yard Restaurant & Conference Center
1199 S Mammoth Rd
Manchester, NH 03109
(603) 623-3545

(Full address provided for those with GPS!)

AGENDA: There will be a brief meeting about the Golf Network Outing, the NESDA NASCC trip, the current state of the Detailing Economy and the upcoming Lowell Spinners outing. We will also have some annual business to attend.

Guest Speaker: Michele Eret from Design Data (makers of SDS2) will present their software's BIM capabilities and the future of the BIM process within our industry. As this process gets more popular and tried, changes happen quickly. Michele will enlighten us as to the latest concepts which will help us keep up with our competition.

(Dinner following the meeting in the restaurant)

Please join us! Feel free to bring prospective new members to this meeting. Our goal as a group is to expand our membership base by 10% this year. With an exciting topic like the one mentioned above, your customers and friends will appreciate you and your dedication to being the best in your field. You owe it to them and they will appreciate you.
